# Street Sense

**Seven times winner of the NSW Dept of Education & Training Frater Award for Excellence and two times winner of the prestigious Mo Award.**

Crucial issues including the wearing of helmets when riding bikes and seatbelts in cars, pedestrian safety and playing in safe places, are all incorporated into this lively and entertaining performance. Llynda doesn't just talk about the issues, she involves the students in their practical application.

Llynda takes the students on a journey to the circus. There is lots of audience participation, involving the wearing of seatbelts, choosing the right helmet for head protection, and pedestrian practice. There is time for fun in the park where children are once again asked to participate, this time with some ball games. Finally, Llynda performs a traditional circus juggling act which will amaze, just what you would expect from one of Australia's leading jugglers.

In the 1990's Llynda co-wrote and performed the 'Click Clack Road Safety Show' for the NSW Roads and Traffic Authority. When that project finished Llynda produced Street Sense to introduce the concepts of Road Safety to the younger students and acts as a reminder to students in the middle and upper primary years.

**What schools have said:** Great mix of interaction, music, participation while providing appropriate road safety messages. Llynda grabbed and held attention well. Very appropriate language and content for the prep age group. Reflection to revise messages at the end was great! Beautiful sense of humour :)

*Tracey Rodmall. K-6. Benaraby State School. QLD.*

Kids all enjoyed the show and were able to recall the safety messages. Everyone was impressed by the juggling! Llynda did a great job engaging all the children.

*Julie Zuino. Preps. Our Lady Of Mt Carmel. Coorparoo. QLD.*
