

Rap Rhyme & Rocking Poetry

Curriculum Relevance: Literacy. The creative writing process. Music.

Rap Rhyme & Rocking Poetry is students getting creative with words and music.

Equipped with his electric keyboard, guitar, drum kit and microphones Andy sets off at an energetic pace as he gets children (and teachers if they are willing) Belly Dancing, Bollywood Style. Back In The Land Of Oz, Andy performs more of his original music and has students doing the Goanna Crawl and Ooh Roo That's A Kangaroo. This upbeat, lively beginning is all designed to get your students in the mood to explore their own creativity.

Now the white board is produced and students not only help Andy write some really cool rap rhymes but perform them as well. Rap Rhyme & Rocking Poetry is everyone involved, fifty minutes of fun, designed to encourage students to explore and enjoy the writing process.
